Matthew and team,

Bowing compliments!

I want to publicly express my admiration for the advice and follow through Matthew provided.

The donkey hotshot barrister (at painful rates) had us railroaded for years of misery. With breathtaking speed and agility Matthew took a brilliant option and has presented the spoils to a trembling client.

Dear All,

Please see attached.

I confirm that this matter has now settled. The parties agreed that I will attend the directions hearing on 14 July 2010 and hand up the consent orders finalising the proceedings.

Kind regards,
